Proposed housing development at Barnack

Barnack Parish Council wishes to inform you of an application (ref. 15/01840/OUT) submitted by Gladman Developments Ltd. for outline planning permission for up to 80 houses on the outskirts of the village of Barnack, North West of Peterborough.

In October 2015 we held a public meeting to discuss the proposal. The village residents were overwhelmingly against it. The general feeling was outrage at a no-win-no-fee developer threatening the character of our historic village. If permitted, the development would represent a sudden increase of 20% in the number of houses in this Limited Growth Village and would create a precedent for building outside the building envelope. Barnack Parish Council is therefore objecting strongly to the application. Our letter to Peterborough City Council is attached.

The Parish Council would be very grateful for your support in fighting this development proposal. We look forward to hearing your views on the matter.
