#### 4) **Discussion.**

Planning matters with Nicholas Harding:

1. Mistakes by Planners with notifications - both applications and permissions (Planning Application for Church View, Main Street: Lawful Development Certificate, for Land off Uffington Road: Permission for Development, Junction of School Road/Millstone Lane)
2. Visits to the Parish, without consultation, by PCC officers to inspect various aspects of applications (Highways Control Engineer, School Road/Millstone Lane)
3. Lack of discussion concerning collection of S106 from a development and 'remote' decisions regarding traffic calming (Planning Officer, Millstone Lane) - although S106 has now ceased, this example is indicative of the relationship between PCC and Parish - we need to change the process, so that the Parish Council may be more involved.
4. The present need for the Parish Council to 'make all the running' in discussion with PCC in respect of applications and the impression given that we are considered not capable of a useful contribution.
5. Not treating the Parish Council as a 'Key Stakeholder' in planning matters (although, not a legal obligation, surely in keeping with the Parish Charter)
6. PCC not recognising the general role of the Parish Council in representing its residents. On many occasions parishioners have approached the Council to discuss planning issues and they rely on its role as 'their' elected body.
7. What assistance will PCC give the Parish Council in creating a Neighbourhood Plan?

*The listed items were discussed in detail and it was agreed:*

- i. *The Parish Council should use the online 'weekly lists' planning updates to be informed of all applications affecting the Parish.*
- ii. *Any future applications which, in the Parish Council's view, required an extra oversight could be referred by the Parish Council to either Nicholas Harding or the Planning Team Leader, Lee Collins.*
- iii. *Assistance with a Neighbourhood Plan could take the form of: help with costs, publicity and up to 10 days of a PCC officer's time.*

*The Parish Council expressed its thanks to Nicholas for attending the meeting and giving an overview of planning matters and explaining PCC's responsibilities and capabilities.*

#### 5) **Open Forum** – for the Clerk to address issues raised by Residents.

- a) Planning application refused even after neighbours and Parish Council had no objections. *Nicholas Harding to reply to resident.*
- b) Gigaclear making a mess and blocking access. *Councillors feel that the contractors are doing an exceptionally good job.*
- c) Could we have second open forum at end of meeting to comment on matters discussed during meeting. *It should be possible to have a short time-bound session at the end of a meeting.*
- d) School Road/Millstone Lane development, is stone wall protected? *Planners have decided new houses should be in line with the pavement and neighbouring houses.*

#### 6) **Outstanding Items.**

- a) Pilsgate Path, notice banning horses. *Awaiting action from PCC.*
- b) Bishops Walk and Main Street junction, vehicle parking problems. *Police notified.*

Currently, we are researching suitability of sites at the Cricket Ground and a field off Chapel Lane. Agents of the Peterborough Diocese (owners of the field) have said, if the Parish Council supported a new housing development of 40 or 50 dwellings, they would build a MUGA at no cost to the Parish. While in no way endorsing this proposal, or the prospect of a new housing development, the Council agreed to call a village meeting on 13 July so that residents may discuss options for siting the MUGA.'*
- f) Traffic Calming. *Next meeting 17/6/15.*

- c) Defibrillator. *It was agreed that having the equipment would be beneficial to the community. Clerk to research options.*
- d) Rural Vision and Parish Charter. *While welcoming moves to improve co-operation between PCC and rural parish councils, the Council felt there is lack of clarity in the draft document about 1) the extent of the proposed devolution of services and 2) the support available from PCC to help parish councils carry out new duties. Also, the Council would prefer greater emphasis on maintenance of rural character, local culture and heritage and less on growth. It was agreed to submit these comments to the PCC Community Capacity Team and to copy them to Parish Councils in Barnack Ward and to the Ward Councillor.*
- e) Uffington Road, new notice board. *It was agreed to consider the purchase of a notice board. Clerk to obtain quotations.*
