

Barnack Sports Court

We are looking forward to opening this court for use very soon. It will be used for tennis, basketball, netball, five-a-side football and other uses such as fitness training.

However please be patient because it **cannot be used** until it has been officially handed over by the contractors. We hope this will be very soon.

Once we are up and running, the court will be open only to registered members. You will be able go online to register via a link on the Barnack Parish Council website.

Membership will be on a rolling annual basis and will be free of charge for the first year to residents of Barnack and Pilsgate if they join before the end of July. Residents of Bainton, Ufford, Southorpe and Ashton may also join for an annual fee of £25 per household.

Keep a lookout here and on the Barnack Facebook page for updates. Thanks for your patience.
