

## THE FRIENDS OF BARNACK CHURCH

In common with many organisations the "Friends of Barnack Church" suffered as a result of the Covid pandemic. Two annual meetings were postponed and fund raising was not a possibility.

However we had some savings in hand and had also received some donations. This enabled us to make a gift of £500 to the PCC last year and this covered the cost of some recent repairs to the roof.

Now we look forward to the future with optimism and to continuing to share in the care of the fabric of our ancient, much loved, and much visited church.
